Mr. D. C. Whitney, Manager  
Policy Service and  
Statistical Group Division  
Mutual Benefit Health and Accident Assn.  
Mutual of Omaha

Dear Don:

Please accept my apologies for delay in not answering your earlier letter concerning certain statistical questions. I refrained from doing so strictly on the assumption that [redacted] would clarify it with you by phone.

In accordance with your January 11, 1962 letter, we have checked out our totals and I believe we have the answer to your problem. The payment for period 8/6 to 9/2 should have contained a \$49.70 deduction for retirees. However, since this was not received until 10/17, it was added to the payment for 9/3 to 9/30. I'm sure, if you will make this adjustment, all figures will be in agreement.

Best personal regards,

Sincerely,

[redacted]  
Vice President
